CHURCH NEWS

In future editions of the TIMES-VIRGINIAN, we plan to run the regular church news the first Thursday in each month.

Each week the church news is the same and we feel that this space could be used for important events, such as revivals, church social functions, and the like.

It would be a good idea to clip out your church news if you are not positive of the activities for the month.

If you desire any corrections to the church news previously printed in this paper, please contact us and we will gladly make the necessary corrections. When carrying in your church news, please include all activities for the month.
